

Water Cannon Salute welcome for Airbus A380

GVK CSIA welcomes the world's largest commercial passenger aircraft, Airbus A380

GVK CSIA crossed a major milestone when the world's largest commercial passenger aircraft, Airbus A380 Singapore Airlines Flight Number SQ423 touched down for the first time at the airport after the inauguration of the new Terminal 2 (T2). To mark this occasion, the airbus was welcomed with water cannon salute. The arriving passengers were greeted with roses. The first departing passengers were presented with special boarding pass and gift hampers. All passengers of Airbus A380 were offered a special discount on select outlets up to 5th June. The one day contest

held on Facebook received great response. The winners were invited at the airport to witness the arrival of A380. They were escorted by Pranaam officers and got to experience the Pranaam Lounge where they were handed over the Gift Hampers. The Airbus A380 is a double-deck, wide-body, four-engine jet manufactured by Airbus Industries, the European consortium. It can accommodate 525 passengers in a three-class configuration and up to 853 seats in a single-class configuration. Congratulations to the entire GVK CSIA team on achieving this marvellous feat.

GVK CSIA features in the book SWITCH by Sujaya Banerjee

Manoj Rajimwale, Vice President-HR
Mumbai International Airport Pvt. Ltd.

GVK CSIA has been featured in one of the chapters of the book SWITCH by Sujaya Banerjee. The chapter, "Spreading Wings in the Winds of Change" is based on the entry submitted by Mr Manoj Rajimwale, Vice President-HR, GVK CSIA at the Best Change Interventions of Asia Study 2012. The author, talks about how employee resistance and protest against privatization of the GVK CSIA, Mumbai had posed serious challenges for the organization. She culls some methods that the company leadership adopted to meet these challenges like deployment of new HR systems such as Balanced Scorecard cascade, leave management with biometric attendance and much more. The focus was also put on sustaining change with a culture of continuous process improvement with important certifications, robust talent acquisition process, effective talent management and retention and continuous improvement with industry benchmark surveys.

GVK IN THE MEDIA

'Reaffirms faith in democracy'
Hyderabad, May 16
GVK Chairman, GVK Ravi Kumar Reddy, said that the new government will do well and will implement economic policies that benefit people and industry. This will create an environment conducive for economic growth.

Inc hails NDA victory
Happy at the clear mandate of the BJP-led NDA, India Inc is confident that Narendra Modi's bold and decisive policy reforms will help the leadership and investor confidence, attract and generate employment, and generate growth in the manufacturing sector.

Who Said What
The election results reaffirm the country's faith in democracy. The people's confidence and mandate for stability has ensured that there will be economic and political stability in times to come. We are confident that with a strong mandate, the new government will do well and will implement economic policies that benefit the country's people and its industry.

Terminal 2
The new terminal at the airport will be a landmark project. It will be a state-of-the-art facility that will provide a better experience for passengers. The terminal is expected to be completed by 2018.

Replicas of Art Works on Mumbai Airport Wall

Mumbai Airport Inspires Adorning Living Rooms
Passengers will be able to access database of artworks on Information iPads stationed at various locations.

जिला अस्पताल में मना नर्स दिवस
The nurses at the district hospital celebrated their day with a variety of activities. The event was held in a grand manner and was attended by the hospital management.

मात में जच्चा-बच्चा मृत्यु दर में आई कमी
The maternal and infant mortality rates have decreased significantly. This is a result of the improved healthcare services provided by GVK EMRI.

GVK emergency transport service helps bring down MMR
The GVK EMRI service has helped in reducing the Maternal Mortality Rate (MMR). The service provides timely medical assistance to pregnant women, ensuring the safety of both mother and child.

TZ GETS NEW TRICOLOUR AT TWILIGHT
A brand new national flag was hoisted outside Terminal 2 of the Chhatrapati Shivaji International Airport last evening. The move came close on the heels of mid-day's report that a security guard working at the terminal had been fired after pointing out to authorities and cops that the old flag was torn.

MTDC to arm cabbies with etiquette, English
Drivers will be provided with a certificate and information on key tourist locations across the city.

GVK EMRI services help reduce maternal mortality ratio
PANAJI: Since the launch of services in Goa in 2013, GVK EMRI technicians have assisted in more than 400 deliveries that took place in the vehicle en route to hospital; their timely intervention saving the lives of mothers and babies. In addition more than 15,000 lives were also saved in general emergency cases. In a state like Tamil Nadu where the service was started in 2008, the maternal mortality rate has also decreased from 85 to 79 per 100,000 live births. Since 2008, it has also helped the government reduce the infant mortality rate from 35 to 22 per 1,000 live births. Keeping the specialised needs of pregnant ladies and infants in mind, GVK EMRI has now launched specialised sterilised vehicles which are completely equipped and insulated to avoid external factors such as hazardous gases, materials and shifts mothers and infants in a safe and secured environment. Besides this, the vehicle also carries a counsellor who educates mother on infant care and provides them with leaflets, hand outs during the journey. NT
