INTERNATIONAL AIRPORT
MUMBAI

In an incredible achievement, GVK CSIA's artsy infrastructure has propelled Mumbai into the A-list of National Geographic's "smart cities" across the world. The city of Mumbai has been ranked 3rd best in the world after San Francisco and Paris. GVK CSIA has made the entire nation proud as it has helped Mumbai to be the only city from India to make it to the list. The list of global "smart cities" has featured in the latest issue of National Geographic Traveler Magazine. The magazine has chosen global "smart cities" on the basis of essential places, people, trends, and ideas that have turned the world's most intelligent cities into travelers' top choice.

GVK MIAL awards first land parcel for the development of SkyCity for Rs 580 crore

3-D view of GVK SkyCity

GVK MIAL crossed a major milestone when it awarded the first land parcel to Oasis Realty Private Limited for commercial development of GVK SkyCity for Rs 580 crore. This parcel will have a potential for commercial development of 1.166 million square feet. This is part of the process of overall commercial development of 22 million square feet in phases over a period of 10 years.

GVK SkyCity, a master-planned, mixed use development with state-of-the-art planning and architecture, urban design and landscape is an ambitious project set to redefine the face of Mumbai.

Mr G V Sanjay Reddy shares his journey Beyond Business

Mr G V Sanjay Reddy at the event

Our Vice Chairman, Mr G V Sanjay Reddy made a presentation on "My Journey Beyond Business" at the "3rd C K Prahalad Memorial Lecture", hosted by Ananta Aspen Centre in New Delhi. He fondly remembered and acknowledged the visionary and management guru, Dr C K Prahalad as his inspiration while he was studying at the University of Michigan. He explained that the objective of leadership is not to just make money but to make life meaningful. He emphasized that sustainability has always been a constant in all of GVK's projects. He also spoke about the redevelopment of the Mumbai airport and the challenges associated with it.

GVK, Oasis in ₹580-cr mega deal for Mumbai airport land

This transaction involving 1.16 acres of land parcel is a part of the airport management's plan for commercial development of 22-acre air land that may fetch ₹18,000-cr in total.

Hyderabad: In a landmark transaction, Mumbai International Airport (MIAL) has awarded the 1.16-acre plot to GVK Group for the development of a 22-acre air land parcel. The deal is valued at ₹580 crore. The plot is located near the existing terminal and is part of a larger 22-acre air land parcel that the airport management has acquired for commercial development. The deal is expected to be completed by the end of 2024. The airport management has also awarded the 1.16-acre plot to GVK Group for the development of a 22-acre air land parcel. The deal is valued at ₹580 crore. The plot is located near the existing terminal and is part of a larger 22-acre air land parcel that the airport management has acquired for commercial development. The deal is expected to be completed by the end of 2024.

Our vision for GVK SkyCity is to develop a vibrant convention and hospitality destination. It is located in the heart of Mumbai and is well connected to all parts of the city. The project is a part of our long-term strategy to expand our presence in the Indian market.
